Advantages of the eBenefity card for partners

The eBenefits cafeteria card works just like a classic Mastercard payment card. It is simple to operate and only requires a standard payment terminal. The money will be credited to your account within two days after payment without any extra hassle. Your transactions are in one report together with your other card payments, and all you need is a contract with Up CZ to be included in the system.

I have the money within two days

Mastercard card processes payments faster.

Big time saver

I don't have to collect, count, or send the vouchers to be cashed. You know, every minute counts...

Easy card payment

The eBenefity payment card is from Mastercard, so it works the same way as other payment cards. For example, via Apple Pay or Google Pay.
